A MESSAGE FROM THE PRINCIPAL

I'd like to extend a very warm welcome to all community members to the 2023 St Agnes Community Fete.

I'd also like to acknowledge the traditional custodians of the land on which we are privileged to host our fete on and call St Agnes home - situated in the shadow of Kaggur Mabul (Mt Gravatt), the land of the Echidna.

After five years, we are thrilled to be able to reconnect our students, families and wider community with this much-anticipated event on our school calendar.

Our school fete truly is a joyful occasion. It provides an opportunity for celebration, connection, new friendships, and just simple, pure fun.

I'd like to take the time to thank the many sponsors that have made today's event possible. You will find mention of these local

businesses and brands in this program and around the school grounds, and I encourage you to connect with them if you find the need arises.

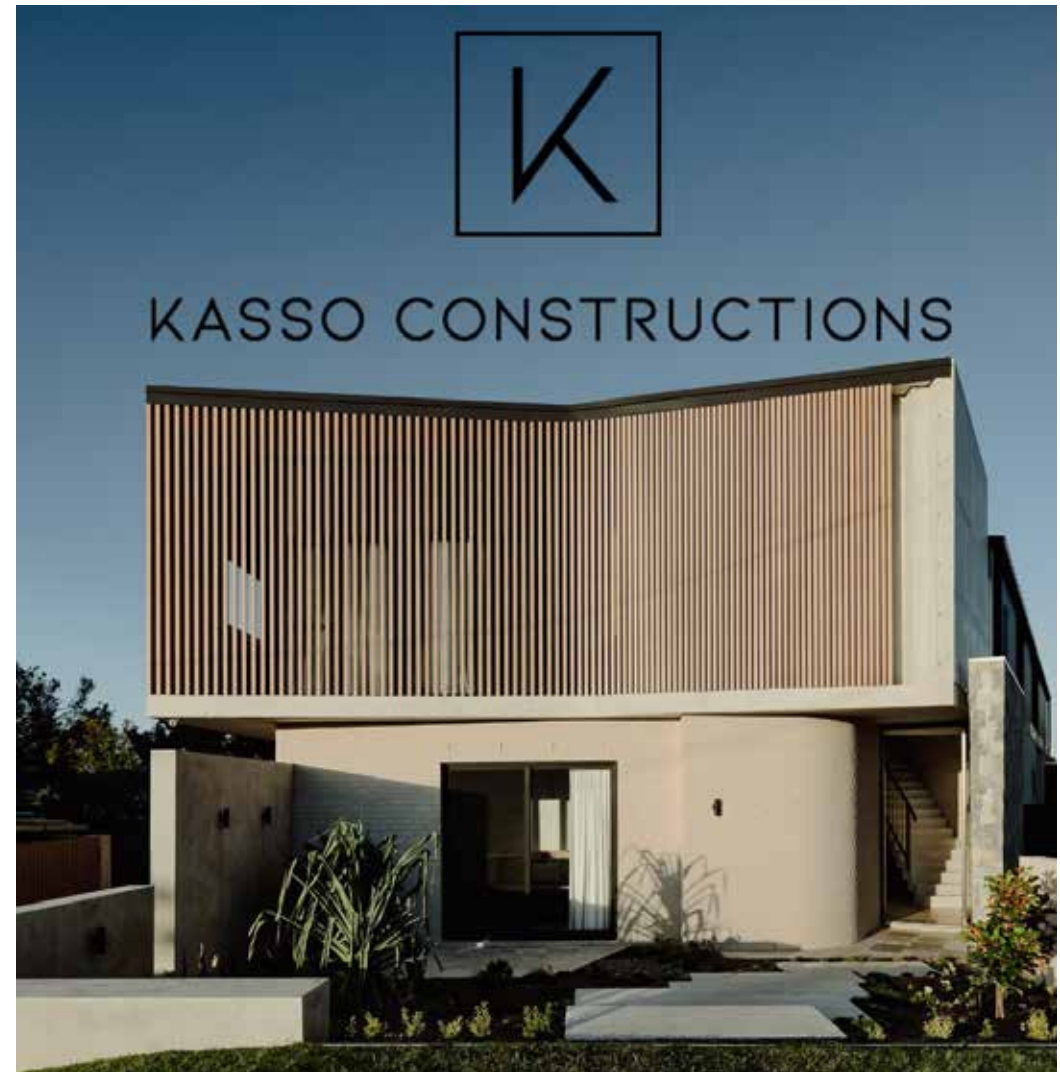

Lastly, I'd like to thank the many parents and carers that have worked tirelessly to ensure this event happens - from our P&F, right through to our volunteers, makers and helpers. We are incredibly fortunate to have the collective energy of likeminded people that have the best interests of our students at heart. They are a reminder that when we come together, we can make magical things happen.

Enjoy the day, stay safe and well.
